

Termine Biochemisches Kolloquium WS 2019/20

Mittwochs 15:00, Raum 170, Institut für Biochemie, Zülpicher Str. 47

Bitte Sprechervorschläge (am besten mit Titel und kurzem Abstract) an Jan oder Meike (jan.riemer@uni-koeln.de; meike.martin@uni-koeln.de)

Date	Guest	Title	Host
24.10.2019 – Donnerstag! 16.00 Uhr	PD Dr. Thomas Becker University of Freiburg	“Molecular cooperation of mitochondrial protein translocases” in combination with the award of the GBM Master Prize	Jan Riemer
13.11.2019	Dr. Simon Poepsel Center for Molecular Medicine Cologne	“Exploring Regulatory Chromatin Interactions by Cryo-EM”	Guenter Schwarz
29.11.2019 – Freitag!	Seamus Martin Trinity College Dublin	“Cell Stress and Inflammation”	Junior GBM
11.12.2019	GBM Master-Preis		
08.01.2020	Olalla Vazquez, University of Marburg	“Photochemical Tools for the Study of Biological Systems”	Ines Neundorf
15.01.2020	Dr. Maria Sola IBMB Barcelona		Ulrich Baumann
22.01.2020	Prof. Dr. Diana Imhof University of Bonn	“Unravelling the chemistry and biochemistry of reversible heme binding”	Ines Neundorf
05.02.2019	Dr. Paul Hensbergen	Cleaving like a Pro: functional and structural characterization of bacterial Pro-Pro endopeptidases (PPEPs)	Ulrich Baumann
